The optimal way to reach the Best Western **Time** Hotel from the airport is to take the airport bus towards Stockholm City (99 SEK) and get off at the stop "Palace Hotel" (ask the driver to point out the stop for you). From this stop you may walk to the hotel (800 meters, continue forward to Vanadisplan (150 meters), turn left to Vanadisvägen, the hotel will be on the left side (650 meters)). Alternatively you may enter Palace Hotel and ask for taxi to bring you to Best Western **Time** Hotel (Vanadisvägen 12).

If you arrive by other means you may use the subway station Odenplan, the hotel is again at a walking distance from it.
